- 1 [0:00:00.0] I started on analog gear. That's where I learned about color and character.
- 2 [0:00:06.9] In the digital world I learned about flexibility and infinite possibilities.
- 3 [0:00:13.0] the challenge
- 4 was to develop an intuitive plugin to
- 5 control all this complexity the
- 6 challenge was to perfect the channel
- 7 strip plugin
- 8 [Music]
- 9 when you open up this plugin you have
- 10 all the tools you need
- 11 designed to work perfectly together you
- 12 have enough choices that it should work
- 13 on anything in any genre you can shape
- 14 your own signal flip the channel strip
- 15 works in every combination so you can
- 16 experiment and try out new ideas without
- 17 losing focus
