

..Recall-Möglichkeit

1 [0:00:00.0]

2 [0:13:55.6] AS: [...] and then I kind of went into the box, because the Mackie was not recallable, the analog one. And it was starting to be a pain. So I mixed records [unverständlich] in the box .. 12 years ago? Something like that.

3 [0:24:44.2] AS: As soon as you saw what editing you can do, .. so, the combination of the digital thing, where stuff basically sounded like what you put in, and then the non-linear editing stuff with screens and .. I mean, that was absolutely that. That was an .. Anyone who said that wasn't the future, was just being difficult.
